**Table No. 59**
Table No. 59 is a serie og tables. Actually it is a set of legs on which top you can place any table top. The screen walls are specially designed to complete the tables.

With its flexible design, the series is easy to use in a situation where you need a home workplace. But the system can also be part of an agile working or study environment. The screen wall lowers the noise from the children's play as well as the colleagues' conversations.
